

Seminar Rubrics

The groups will present a 10 minute discussion on the selected topic and will be judged based on the following criteria, inherited from the value rubrics developed by the *Association of American Colleges & Universities* (<http://www.aacu.org/value-rubrics>). If you are interested to know more about the rubrics, click on the each domain for detailed definitions and explanations.

Domain	Criterion	Maximum Points
Inquiry & Analysis	Topic selection	4
